WINTER 18

A photograph of a group of people sitting around a table, reading books together. The focus is on a young man in the foreground, wearing a plaid shirt, looking down at an open book. In the background, other people are visible, some wearing sunglasses, suggesting an outdoor setting. The overall atmosphere is one of community and shared learning.

## Why Small Groups?

Life is not meant to be lived alone. God intends for us to do life together, and that's why at New Song Church, we encourage you to get connected to a Small Group.

A Small Group is a weekly gathering of three or more people who meet in a home, workplace or in the church. They hang out, study the Word, and pray together.

Our Groups come in all shapes and sizes: married couples, singles, men's, women's, kids, no kids, workplace, under 20, over 40...the list goes on!
