

WHY MISSIONS?

PERSPECTIVE

The world is big. There are 7.7 billion people on it right now. For many of us, our city, neighborhood, and friends is all that we know. When you encounter people who look and act different, your perspective changes. When you encounter people who love Jesus like crazy despite their situation, your perspective on God and life changes.

GOD ENCOURAGES US TO

Did you know that short-term missions is in the Bible. Often God sends people like you and me to deliver good news before He comes and changes a place. In Luke 9 & 10, Jesus sent 12 & 72 before him. Before Jesus goes to heaven, he sends the disciples out before the Holy Spirit. In Acts, we have multiple journeys by the Apostles that are short-term based.

ENGAGE WITH GOD'S MISSION

There is so much God is accomplishing around the world that would benefit from a short-term team coming in. By lending a hand to our partners, we give them encouragement and a leg up on the vision that they have received from God's heart.

GIVE MUCH, LEARN MORE

If you let God work, you change during a mission trip. When you give much of yourself, you learn more about who you are and what God has in store for you. The purpose is to give God everything so he may show you what your gifts, talents, and abilities can be used for in the Kingdom. You'll be surprised about what God can accomplish in people's lives through you.

I hope you'll pray about joining us on this or future missions trips.
